Nancy Phillips Associates Orchestrates Sale of Parker Chevrolet to Brian Hoar

Champlain, NY – Nancy Phillips Associates announces the sale of Parker Chevrolet owned by brothers Rolla and Tim Parker to Brian Hoar as of November 2, 2022. The new dealership name is Goss Chevrolet.

The buyer, Brian Hoar, is the owner of Goss Chrysler, Dodge, Ram and Goss Jeep in the Burlington, Vermont market area. Nancy Phillips associates also facilitated the transaction when Jeep became part of the Goss group of dealerships in January 2019.

Rolla and Tim Parker opened Parker Chevrolet in 1994 after relocating from Middlebury, VT. They grew their business to be a leader in sales and customer satisfaction. Rolla entertained and endeared the North Country to the family dealership with his hysterical commercials starring himself and his son Rolla Jr. Rolla plans to enjoy his retirement and his grandchildren while Tim Parker will stay on as the new dealership's general manager.
